SR28 Technical Specification

Length overall

8,45 m

Maximum beam

2,70 m

Draught (with drives)

Approx 0,78 m

Height (From WL)

Approx 1,7 m

Height (Storage)

2,25 m

Displacement

2,6 tons approx.(dry)

Engine options

2 x Volvo Penta D3-220 hp

1 x Volvo Penta D6-400 hp

Cruising speed

30-35 knots

Maximum speed

42-44 knots

Fuel Capacity

400 litres

Fresh water Capacity

90 litres

Construction

WIN-Tech resin infusion GRP construction

Vacuum injected details

Naval architecture

Nav. Arch .Hans Jørgen Johnsen / WINDY Design Team

Design

WINDY Design Team

Design category C

10-12 people (12 seats)

Standard equipment

Hull

Vacuum resin infused deep V hull
White gelcoat
Hullside WINDY logo

Deck

Vacuum resin infused deck
Teak on deck and bathing platform

Cushions

Silvertex cushion, colour as decided upon

Deck fittings

Deck fitting and welding finish is WINDY yacht standard
Stainless steel Nomen deck cleats (6)
Anchor chain locker
Electrical anchor winch (6mm / 40 m chain)
Stainless steel 7kg anchor
Stainless steel folding flagpole with toplight incorporated
Stainless steel bathing ladder
Heavy duty rubbing fender all around
Portside sofa convertible to 2 chair seats
Starboard sofa convertible to 2 chair seats
Shower on bathing platform
Fixed helm console.
Storage inside
Boarding lollipops (2)
Sprayhood (dodger) covering forward seating area
Water outlet in anchor locker
LED courtesy lights (7)
Underwater lights (4)

Fresh water system

Fresh water pump 12 V
Fresh water tank 90 litres

Electrical system

1 x Engine start batteries 70 Ah, 12 V maintenance free
1 x Service batteries 70 Ah, 12 V maintenance free
Batteries switches
Shore power 16 A / 230 V
Shore power deck connection.
Electric outlet 12 V by the console
Cathode protection by zinc anodes
Propulsion system & engine room
Fuel tank aluminium
Trim tabs
Fuel filters
Fuel valves with safety cut-off
Automatic fire extinguishing system
Thermo-acoustic insulation
Full access hatch, actuator assisted engine room hatch

Navigation area & electronics

WINDY custom steering wheel
Nextel (antiglare) dashboard
Electronic steering system
Engines multifunction display
Engines maneuvering & control system
Rev counter
Engine oil alarm
Engine water temperature alarm
Engine batteries voltmeter
Fuel and fresh water tanks level
Stainless steel bow lights
Horn Navigation lights
Raymarine 260E
VHF
Radio Fusion 700 for iPod with 2 speakers

Upgrade/Options

Raymarine chartplotter various models
Upgrade to unique gelcoat or AWLGRIP spray paint
Unique hull logo Logo on seats
Bimini top with unique logo on bimini top
Anti fouling
Bow thruster
Cold storage under starboard sofa
Ski pole with storage under engine hatch
Fender kit
Towing hook Console and helm cover
Overall boat cover
Lifting points (4)
Removable helms seat
Removable boarding ladder for front boarding or side boarding
Removable backrest engineroom hatch, lower storage height
