Windy
SPIRIT OF SCANDINAVIA

First for quality

When Windy Boats was established in 1966 our first sport boats set new standards for performance and craftsmanship. 50 years on, we're still driven by the urge to be the best. All Windy Boats bear the hallmark of quality without compromise, drawing on five decades of boat building excellence, and centuries of Scandinavian seafaring heritage. Put simply, we build better boats because we're Windy. It's in our DNA.

A long-exposure photograph of a rocky coastline at sunset. The foreground is filled with dark, rounded rocks. The ocean is calm, with the sun low on the horizon, creating a soft, golden glow across the water and sky. The sky transitions from a pale yellow near the horizon to a clear blue at the top. The text "Spirit of" is overlaid in a thin, white, sans-serif font on the right side of the image.

Spirit of

Scandinavia

Second to none

Windy builds boats like no other shipyard in the world. Classic speed boats that are beautiful to behold, and a joy to drive. Technically advanced sport cruisers that deliver class-leading performance and fuel economy. Safe, confidence-inspiring offshore cruisers that put families at ease. And awe-inspiring custom supertenders that not only look sensational but can be relied on to perform.

Windy 31 **Zonda**

Launched to universally positive reviews, the award-winning 31 Zonda is a stunning fast weekender which combines the racy looks and exhilarating handling of a sport boat with the creature comforts of a larger cruiser.

Windy

2.0 Honda

Powered by single or twin stern drive installations, up to a maximum of 860 hp, she is capable of sustained high-speed cruising, combining fearsome wave tackling abilities with superb handling and control. One leading UK yachting title described it as 'the best hull we have ever tested'.

The quality in the construction and fittings is self-evident, from the luxurious finish in the two berth cabin, galley area and separate toilet compartment, to the sumptuous cockpit seats and sunbed.

Standard specification

Deck Fittings

- Windscreen with stainless steel top
- Hatch in windscreen for easy access to foredeck
- Stainless steel pulpit
- Stainless steel deck cleats - x6
- Stainless steel rubbing strake
- Anchor chain locker with hatch

Overall dimentions

- Length overall 9,60 m
- Beam 2,97 m
- Height 2,40 m (incl. Cradle)
- Weight 4 200 kg (incl. Engine)
- Fuel tank 517 litres
- Fresh water 120 litres
- Berths 2-3 persons
- CE Classification B
- Naval Architect Hans Jørgen Johnsen

A close-up photograph of a boat's interior dashboard. The dashboard is dark grey or black with a fine, woven texture. In the upper right, a control panel with several buttons and a small red indicator light is visible. Below it, two circular gauges with polished metal bezels are mounted. A long, thin, metallic trim piece runs diagonally across the dashboard. The lighting is soft, highlighting the textures and metallic finishes.

Winner of both a European Power Boat Award and MBY Motor Boat Award this is a vessel designed, conceived and constructed for those who demand the very best.

Windy

Spirit of Scandinavia

Windy pursues a policy of continuous product innovation and enhancement. Everything presented in this brochure is subject to change without prior notice. This brochure must therefore be taken only as non-binding guidelines from Windy Boats • The images shown in this brochure do not necessarily show standard boats and cannot therefore be used as references for the standard specifications of each individual boat • The test data provided by Windy Boats are approved for specific categories by RINA and are CE-labelled • Every attempt is made to ensure that all information in this brochure is as accurate as possible, but it is important to note that a boat's performance and test data are given only as guidance • Fouling of the hull and stern gear, excessive marine growth and mud, propeller damage, engine set-up, engine manufacture and type, air and water temperatures, the weight of fuel, water, stowage and the number of persons on board may all affect the boats' performance and test data. For these and other reasons, Windy is unable to provide any guarantee of test data and boat performance • Graphic design: Jan Peter Lehne • Printed by Tellogruppen • Exterior and interior photos: JP Lehne • Windy Scandinavia AB reserves all rights in this brochure.
